WORSHIP TEAM GUIDE

Leading Hearts Into His Presence

WE DON'T LEAD SONGS. WE LEAD PEOPLE TO JESUS.

“ *Oh come, let us worship and bow down;
let us kneel before the Lord, our Maker!*

PSALM 95:6

- Let His presence lead the flow.

OUR ROLE

*Create an atmosphere where
heaven touches earth.*

- Prepare the atmosphere through worship.
- Follow the Holy Spirit's leading in song and flow.
- Help people engage, not just listen.
- Keep Jesus at the center at all times.

BEFORE THE SET

Prepare well.

- Pray together as a team.
- Know the flow and transitions.
- Prepare your hearts, not just the setlist.
- Arrive early and do a sound check.
- Agree on keys, tempos, and cues.
- Keep it simple and Spirit-led.

DURING THE SET

Stay in step with Him.

- Start on time and set the tone.
- Watch for the Holy Spirit's leading.
- Create space—don't rush.
- Be excellent musically and reverent spiritually.
- Keep the lyrics Christ-centered and Scripture-based.
- Lead with joy, humility, and unity.

AFTER THE SET

Finish well.

- End intentionally and smoothly.
- Leave space for the response.
- Pray and give thanks together.
- Ask for feedback and grow.
- Keep the unity and humility off the stage.

WORSHIP IS

- ✔ It's not about us.
- ✔ It's not about the music.
- ✔ It's about Him.

*Fix your eyes on Jesus,
the author and perfecter
of our faith.*

HEBREWS 12:2

QUICK REMINDERS

- Less is more.
- Silence is powerful.
- People can sing more when we speak less.

To the Team

Thank you for saying yes to serve.
Your obedience helps create
encounters that change lives.

You are loved.
You are valued.
You are making
an eternal impact.

Well done,
good and faithful
servant!
